Each entrant/competitor shall be bound by these Rules and by the English Bowling Federation Laws of the Game (known as the 'Laws'). Alteration or amendment of these Rules may only be made in accordance with Rule 9 of the Constitution.

2 OBJECT

The object of these Rules is to provide guidance to competitors by establishing a framework whereby the competitions may be promoted and successfully completed within the spirit of the game of bowls.

All rounds up to the Finals will be played on club greens according to the draw.

4 MANAGEMENT OF COMPETITIONS

The competitions shall be managed by the League's Executive Committee (known as the 'Committee') who will nominate Competition Secretaries for each competition, from within the Committee, to receive results from competition rounds and to advise competitors of their next opponents.

Any dispute arising during the course of the competitions must be referred to the relevant Competition Secretary within 72 hours of the dispute arising. A dispute not resolved by the Competition Secretary may be determined by the League Secretary, whose decision will be final. Transgressors of these Rules may be referred to the Committee who will have the power to impose penalties.

5 ENTRY TO COMPETITIONS

NOVEMBER 2021

Nottinghamshire Federation Bowls League

COMPETITION RULES

Applications for entry into the competitions shall only be received from Clubs and will only be open to those Clubs who are members of the League for the current year. Competitors in all competitions must be members of that Club. No applications for entry into the competitions will be accepted after the due date. No competitor may enter or play in the same competition from more than one Club. Entry fees for the competitions will be approved at the League Annual General Meeting. No competitor will be allowed to play unless all appropriate fees have been paid by the Club.

6 ORGANISATION OF ROUNDS AND NOTIFICATION OF RESULTS

All competitions will be on a knock-out basis to be played in rounds as determined by the Committee.

Where two clubs with a bye in the first round are drawn against each other in the second round, they **MUST USE THE FIRST ROUND PLAY-ON DATE FOR THE SECOND ROUND MATCH**. If by mutual agreement and the consent of the Competition Secretary games may be played at a date earlier than the play-on date. In the case of inclement weather on either of these fixed dates then the games must be played before the next round is due to be played.

All other rounds must be completed by the appropriate play-by date, which must be strictly observed.

The 'home' competitor will be responsible for contacting their opponent as soon as the round is open, (the day after the previous round has closed, apart from the first round, or earlier if the opponents are known) and in any case within 72 hours, when at least three dates shall be offered. The dates shall not all be in the same week (the week to commence on Sunday for these purposes) and shall not be on consecutive dates. The opponent will accept one of the dates offered within 72 hours. The dates offered must be during mid-week evenings and/or daytime or evenings at weekends.

If the "away" competitor has not been contacted within the 72 hours, they should immediately contact the Competition Secretary. The Competition Secretary will then contact the "home" competitor and give them a further 48 hours to make contact. If no contact is made within this time, the "away" competitor will be awarded the match.

The winner of the round will be responsible for notifying the Competition Secretary of the result, (no contact should be made after 10pm) and shall provide the Competition Secretary with fully completed rink score cards, which must include the names of all competitors, within 72 hours of playing the match. Failure by either the 'home' or the 'away' competitor to notify the result by the close of the round may result in the disqualification of both competitors.

The finals of each competition will be played on the fixed Finals Day with a reserve date available to be used in case of inclement weather. Clubs and individuals should only enter the competitions if they are available to play on both the finals day and reserve date. If during the course of the competitions circumstances change and a club or individual gets to the quarter final stage they should withdraw if they are unavailable for the Finals Day and reserve date.

Substitutions will be allowed for all competitions, with the exception of the Groves Trophy (singles). (See Competition Rule 8)
